

ROOM TO MOVE

FOLK, BLUES, AMERICANA, JAZZ & MORE

Playlist for: 8 April 2010

Presenter: Allan Sherringham

Featured Artist: Beppe Gambetta. As a teenager in Genoa, Beppe studied traditional Italian fingerstyle and classical guitar, but his life changed forever the day he heard a recording of Doc Watson playing "Way Downtown" - he immediately became a flatpicker! Thus began a lifetime love affair with American roots music, but Beppe was about 30 before he gave away his day job as a social worker (he was also a guitar teacher and educator, having knocked out a flatpicker's tutor manual) to embrace music as his livelihood. Since that time his stature as a guitarist has seen him playing and recording with many of America's finest acoustic musicians (including many of his heroes; Doc Watson, Norman Blake, David Grisman, Dan Crary and Gene Parsons among them) and maintaining a hectic worldwide schedule of prestigious festival appearances. He has released 11 albums since 1985 - on his latest, "Rendez-vous", he showcases (with trademark elegance) an experimental 'plectrum-fingerstyle' approach.
